*2nd semester proficiency in a second language is required for completion of the BM degrees. This plan of study assumes the student has met the UA's High School Competency Requirement for Second Language and placed out of a 2nd semester language course. If the student has not fulfilled this competency requirement upon admission, 4-8 additional units (i.e. 101 & 102 courses) may be needed beyond the 125 units required for a BM degree.

Important:

Completion of requirements depends upon transfer units, math placement, foreign language placement, course availability, summer or winter session coursework, and other factors. Academic Advisors are available, by appointment, to assist a student in his/her particular program of study. **It is the student's responsibility to read the online catalog, seek advising, and meet all requirements for the completion of the Bachelor's degree as stated in the catalog.**

All students enrolled in performance studies (MUSI) are required to participate in an appropriate Large Conducted Ensemble (MUS 200, 400). Ensemble placement will be determined by an audition process designed and administered by the ensemble directors in consultation with the applied faculty and as approved by the Director of the School of Music. Accompanying or coached ensembles may fulfill this requirement for keyboard, guitar or composition majors, per the degree requirements.

This is an **UNOFFICIAL** record of academic progress for advising purposes only. **Students are responsible for knowing the requirements of their degree program, and for tracking their academic progress.** Refer to the online catalog for all official requirements and regulations
